

New Product Release

Global Manufacturer of Digital Panel Meters & Data Loggers

Lascar Voltmeter Offers IP67 Protection

Lascar Electronics has extended its range of IP67-rated digital panel meters with the introduction of a new 3½ digit, LCD voltmeter. Designed with programmable decimal points, LED backlighting, auto-zero & auto-polarity, a range of annunciators and Low Battery Warning, the DPM 750S-BL is also waterproof to a depth of one metre when fitted with an optional IP67-rated alloy bezel. Assembly of the BEZ 700-IP is simple with screw fixings and panel clamps allowing quick and easy mounting to the DPM 750S-BL and target panel. Both products are available immediately with prices starting at £28.95 for the DPM 750S-BL (£17.37 at OEM quantities of 500+) and £9.99 for the BEZ 700-IP (£5.99 at OEM quantities of 500+).

For further information on the BEZ 700-IP and DPM 750S-BL and all of the digital panel meters and data loggers designed and manufactured by Lascar Electronics, please call our sales hotline on: +44 (0)1794 884567, fax us on +44 (0)1794 884616 or visit our website at: www.lascarelectronics.com
